Rare Condo Opportunity

Built in 1908, 4107 A Folsom Street is a two bedroom, one bathroom condo in a two unit building conveniently located just three blocks from Cortland Avenue in Bernal Heights. The home enjoys lovely vintage details and character such as hardwood floors, high ceilings, large windows, arched passageways, plus an exclusive-use deck.

Entering 4107 A Folsom Street, you will find yourself in a bright living room with hardwood floors. The eat-in kitchen has high ceilings and a Viking six-burner range. Part of what makes this home special is the dedicated deck, which offers outdoor space to play, relax, or entertain friends. Unlike many condos, this home also has a very large storage area and a separate laundry room. For more information, please visit 4107Folsom.com.
